

UCHS held a celebration party Saturday afternoon, honouring the amazing Trooper & his Fund

Top right, at right, a happy and inquisitive Trooper, sporting a gleaming coat and a scarf bearing his name, visited the Upper Credit Humane Society Shelter Saturday afternoon. With him were his new owners and their dog Deena (at Trooper's side), now Trooper's buddy in his new home. Trooper's new mom says he is a wonderful, sweet & intelligent dog. Rescued by the UCHS near death from starvation, Trooper fought his way back to health. UCHS started Trooper's Fund to help other animals needing costly care. Bottom right, also visiting Saturday afternoon were Lorraine (left) and rottweiler Faith, a former Shelter dog trained by Caroline Bolduc (right) of Bold Canine of Erin. *Photos, Joan Murray*
